

PRELIMINARY PROGRAM

# 6<sup>th</sup> European Myeloma Network Meeting

**Athens**

**April 10-12, 2025**

*Divani Caravel Hotel*

## WELCOME MESSAGE

Dear colleagues and friends,

It is our great pleasure to invite you to the 6th edition of the EMN meeting – EMN2025 - taking place in the majestic and historic city of Athens from 10 to 12 April, 2025.

This event promises to be an unparalleled opportunity for learning, collaboration, and professional growth. With experts joining us from across Europe and beyond, the meeting offers a platform for deepening our understanding of multiple myeloma through a range of highly educational sessions. Designed to be particularly valuable for young hematologists and trialists, the meeting provides a unique chance to present research, share ideas, and engage in meaningful discussions with colleagues from around the world.

Highlights of the program include:

- Educational sessions accredited with EBAH credits, delivering cutting-edge knowledge and updates in the field.
- Several challenges in multiple myeloma, such as high-risk SMM and therapy.
- An in-depth discussion of the role of MRD and novel techniques in driving diagnosis and treatment decisions, and novel definition of high-risk disease.
- New EHA/EMN treatment guidelines, a highly valuable tool for clinicians in everyday practice.
- A special session with patient associations, fostering dialogue between clinicians, researchers, and taking into account patients' expectations and needs.
- Dedicated sessions with sponsors, showcasing the latest advancements and innovations in diagnostics and treatment.
- Interactive Meet the Experts sessions, offering smaller, focused discussions on specific topics, providing practical insights and lively exchanges.

This is a rare occasion to enhance your expertise in a uniquely enriching environment while immersing yourself in the timeless beauty and rich culture of Athens, with its iconic historical landmarks and vibrant modern life.

The Divani Caravel Hotel, the venue for EMN2025, is the ideal setting for hosting such a prestigious international event. It offers participants the perfect balance of convenience and comfort, enabling them to fully enjoy their stay in Athens.

Don't miss this opportunity to advance your knowledge, connect with peers, and immerse yourself in a truly memorable event.

We look forward to welcoming you to Athens for this extraordinary meeting!

Evangelos Terpos & Meletios Athanasios Dimopoulos - EMN2025 Local Organizers  
Pieter Sonneveld & Mario Boccardo - EMN President & Vicepresident

On behalf of the scientific organizers and program coordinators.
